D'Alessio Receives Prestigious Industry Design Recognition From The International Property Awards

*Architectural Single Residence And Landscape Architecture Awards—
Utilize Stone And Granite Sustainable Design*

New York City—January 29, 2015 –[D'Alessio Inspired Architectural Designs](http://www.BuiltByDAlessio.com), (www.BuiltByDAlessio.com) an international legacy home-design builder, provides luxury bespoke quality design services direct to clients, interior-designers and architects, receives

two 'Highly Commended' awards from [The International Property Awards](http://propertyawards.net/) (IPA—<http://propertyawards.net/>). D'Alessio received commendations for *Architecture Design Single Residence* and *Residential Landscape Architecture* juried by seventy-professionals in the global residential and commercial property industry.

The awards represent a significant achievement for [D'Alessio Inspired Architectural Designs](http://www.BuiltByDAlessio.com). The IPA winners' logo is recognised as a symbol of excellence throughout the global property industry.

“Our company is honoured and humbled to receive this industry symbol of excellence for the second year in a row from the International Property Awards—the world’s richest residential and commercial property industry’s competition,” states D'Alessio Inspired Architectural Designs' President [Andrea D'Alessio, Jr.](http://www.BuiltByDAlessio.com)

Award-winning *Residential Backyard Oasis Landscape* (http://www.builtbydalessio.com/showcase_oasis.shtml) makes use of a 10,000 SF unusable wooded area with a pool/spa focal point, surrounded by elegant travertine mosaic terraces, outside kitchen, fountains, portico, fireplace. The landscape design creates seamless access points—extending indoor rooms to outside living and garden areas.

Award-winning *Cote d'Azur*, (http://www.builtbydalessio.com/showcase_cote-d-azur.shtml)

a European styled 6,500 SF home is embellished with an open floor plan and 25-foot windows overlooking the Delaware River. The home features an elegant cherry wood home-office with Rumford fireplace, elevator, French inspired theatre, sweeping staircase and Juliet balcony hovering over the great room.

D'Alessio continues, “we are privileged to receive these awards for our hard work and design, validating our commitment to meet clients’ needs with the best quality sustainable design-build in USA and abroad.”

Since 1995 International Property Awards (<http://propertyawards.net/>) rank amongst most prestigious global commendations in the residential and commercial property sectors. A jury of international experts identify and award the most significant building projects in Africa, Asia Pacific, Arabia, Europe, UK and The Americas–Canada, Caribbean, Central-South America, USA.
